Unser Leistungspaket geht weit über den reinen Technischen Handel hinaus – überzeugen Sie sich von unseren Pluspunkten:

⊕ Bearbeitungsservice:

Ob fräsen, schneiden, beschichten oder kleben – in unseren eigenen Werkstätten setzen wir Ihre individuellen Wünsche in die Tat um.

Spanabhebende Bearbeitung
Gewindeschneiden | Fräsen | Drehen | Bohren

Trennen
Sägen | Spalten | Schneiden

Oberflächenbearbeitung
Veredeln | Beschriften | Beschichten

Modellbau
Prototyping | Werkzeugfertigung

Konfektionieren
Montieren | Verschweißen | Komplettieren | Kleben | Freihandfertigung

⊕ Logistik:

Wir verfügen über eines der größten Zentrallager des Technischen Handels. Auf einer Grundfläche von ca. 12.200 m² lagern über 140.000 aktive Produkte.

⊕ Online-Shop:

Über 65.000 Artikel sind auf www.reiff-tpshop.com abrufbar – aktuell, schnell und individuell. Intelligente Suchalgorithmen, Artikelvergleichsfunktionen und ein selbstlernender Katalog machen Online-Bestellungen maximal einfach.

Profitieren Sie von unseren Pluspunkten – wir freuen uns auf Ihre Aufgabenstellung!
